### 2.5 x LED Magnifying Glass for Visual Testing- NDT

Art.-No.: 112.100.090

- **High precision**
- **High-quality optical lens (Ø 55mm)**
- **Economical, non-dazzling lightning in 2 steps by 8 white LEDs.**
- **Easy battery exchange**
- **Modern metal frame with matt-silver finish**
- **Ideal for visual inspection**
- **Delivery in padded box.**

#### Technical Data

Voltage	3 V
Normal current	approx. 100 mA
Light source	8 LED
Lifetime of LED	approx. 10.000 hours
Light intensity at 50 mm distance	approx. 600 lx
Weight	approx. 200 g
Dimensions	210 x 80 x 20 mm
